

Since July 2004, Ash Williams — the reluctant hero of the cult classic film, *Army of Darkness* — has been an integral part of Dynamite Entertainment's publishing line. Throughout the years, dozens of highly skilled comic artists have tried their hand at drawing Ash (not to mention the Chosen One's interchangeable armament of chainsaws and mechanical gauntlets, of course).

This gorgeous hardcover art book stands as a testament to the unyielding spirit of a horror cinema icon, as captured by some of the comic industry's most beloved talents: J. Scott Campbell, Arthur Suydam, Nick Bradshaw, John Bolton, Ben Templesmith, Tim Seeley, George Perez, and many more!

"When I saw ARMY OF DARKNESS as a teenager, all I wanted was to read the ongoing adventures of the heroic jerk, Ash Williams. DYNAMITE not only made that happen, they let me draw my favorite big-chinned, chainsaw-handed superhero a bunch of times, as well as a whole host of really talented artists. Gee golly, sometimes, dreams really do come true."
– Tim Seeley, Writer of *Revival* and *Hack/Slash*

"It was a few Army of Darkness fan pics I had drawn up that got me noticed, and ultimately hired for that series. And it was great that my first real full book was based on a series of movies I had such huge fan love for."
– Nick Bradshaw, Artist of *Wolverine* and the *X-Men*

INTRODUCTION
by Cullen Bunn

Is this *really* Art?

Art… with all the demons… and doppelgangers… and skeleton armies… and tiny doppelgangers?

I mean… is it Art… with a capital A… meant to move and inspire you?

Is it art, meant to touch your very soul?

Art… featuring a guy with a blood-caked chainsaw mounted on his arm and a smoking shotgun in hand?

Yeah, you bet it is.

Art.

And poetry, too.

Brace yourself, kiddies, because I'm about to wax nostalgic for a bit.

Cast your mind back to 1988 or so. Having read about *Evil Dead 2* in an old, tattered issue of *Fangoria*, I trekked to good ol' A-1 Video, a sheet metal Mecca of clam-shelled VHS tapes, to rent the movie. Late that night, I watched in wide-eyed wonder at the scenes playing across the screen. The over-bright gore, the milky eyes and hideously convulsing demons, the rotting Book of the Dead (in glorious twitching stop motion animation), the horrible glee on the blood-spattered face of Ash as he cuts off his own hand—these images captured my imagination.

Sometime later, sitting in a mobile home (I'm pretty sure the place was abandoned by the owners and I can't remember how we ended up there), my friends and I watched the original *Evil Dead* (this time rented from a grocery store). The story was familiar, of course, although much darker, and the images were chilling in their own right. Demonic faces, almost doll-like in their horrific glee; disfigured Cheryl gazing out from beneath the cellar door; something strange and primeval racing through the fog-shrouded woods, cracking trees—again, haunting imagery that sticks with you.

Later still, I watched *Army of Darkness* at the movie theater on a cold Saturday afternoon. The visuals wowed me again, from Ash's "groovy" robotic hand to the creaky old windmill, to Sheila's descent into evil.

I remember each of these movie-watching experiences so clearly, not just because Bruce Campbell chewed the scenery to pulp, but also because he had such vivid and memorable scenery upon which to dine. The images, the camera work, the unsettling angles, the gnarly creature effects, and— oh-so-much— blood and bile and demonic spewing! Here the violence is cartoonish in its excess. The blood is vibrant and seen most often in geyser-like fountains. The demons twist bodies as readily as they twist souls. Nothing else looks the way the *Army of Darkness* universe looks.

Even the movie posters for each of these flicks were visual delights. You know what I'm talking about. The demonic hand rising out of the earth to choke a desperate victim. The massive skull with eyes that are all-too-alive. The epic hero pose of Ash with chainsaw "in hand" standing smugly before the forces of darkness. Whether you saw the artwork outside a theater, in the dimly lit aisles of a video store, or on the box of the VHS tape itself, those images told you exactly what to expect from each and every one of Ash's adventures.

Therein lies the challenge for *Army of Darkness* artists. They must capture a mood… a feeling of dread and humor and wonder… a sense of "belonging" in a world that is one part horror, one part fantasy, and one part comedy. They're not just bringing it to the page. They're bringing it to life. No easy feat, but time and again artists like John Bolton and Nick Bradshaw, J. Scott Campbell and Marc Silvestri, Ben Templesmith, Fabiano Neves, and Francesco Francavilla have delivered. Through their work, the misadventures of Ashley J. Williams have continued, across time and through alternate dimensions, in the face of horrors both deadite and classic and Lovecraftian. The artwork of *Army of Darkness* captures some of that same blood-soaked poetry of the movies.

Poetry? You ask. But isn't *Army of Darkness* just a guilty pleasure?

Oh, ye primitive screwhead of little faith.

You might think Ash's battles against the deadite hordes are just about demon killing, but there's poetry there, too.

Our hero, steely gazed and square-chinned, mugging defiantly in the face of ultimate evil. The twitch of his nicked and scratched facial-features, going from smug to terrified in a matter of seconds, eyes too wide and wildly darting with mounting terror. The rattle of shotgun shells tumbling between fingers—between frames! — as they slide seamlessly into chambers amidst seemingly endless thunder-booms of flesh-shredding blasts.

The cackle of stuffed and mounted deer heads, writhing horribly upon the wall.

Evil Ash, with his buckshot-blasted jaw and helm of bone, sitting maliciously upon his vile throne on a barren heath, is the lord of a fallen army that is scrabbling up from the earth.

A chainsaw spattered with grease and blood and bits of flesh.

Robert Frost, it ain't, but it's a kind of poetry nonetheless—the kind that speaks most eloquently to those of us who have the trunks of our cars crowded with old text books and gas cans, jumper cables and hand saws, comic books and battered tool boxes. It means something to those of us who know, deep down, that if the things-that-were-and-shall-be-again were to rise, we'd be ready. It touches the spirit of us clueless knuckleheads who would stand against the ancient darkness with nothing but sheer willpower and the gift of being too stupid to back down.

Comics, like movies, are a visual medium. That means that even the most detailed script… the most witty dialogue… the most explicitly-detailed written act of ultra-violence… all fall flat without the art to sell the *balladry* of it all.

Here's something you may like to know about me. I love writing scripts. I put a lot of energy into them, channeling elements of prose to make them as interesting as possible for the editors and artists who will be seeing them first. But I hate reading scripts. I got into comic books for the interplay of words and artwork. Reading a script, without the artwork, is almost a chore for me.

Writers need artists who can bring the story to the page with gusto, who can, with an image, both tell you everything you need to know about the characters, the action, the setting, and the vibe of the tale. At the same time, we need artists who have the unenviable task of bringing something new and exciting to the beloved world of *Army of Darkness*, while dancing with the nostalgic elements that made us love it in the first place.

And, as you'll see in the pages of this time, the artists—nay, poets—collected here deliver. It's as if they've lopped off pieces of their bodies and clamped *Army of Darkness* onto the gory stump. Their pens and brushes have raised horrors as surely as any funerary incantation or demon resurrection passage. They invite you… *"Join us!"*… and in this case you definitely should, because a visual treat awaits you.

So, yeah, this is Art.

Capital A.

It's not meant to touch your soul, though.

It's meant to swallow it.

Cullen Bunn is the writer of comic books such as *The Sixth Gun*, *Helheim*, and *The Damned* from Oni Press. He has also written *Magneto*, *Wolverine*, *Fearless Defenders*, *Venom*, and others for Marvel and *Sinestro* and *Lobo* for DC. For Dynamite Entertainment, he writes *Army of Darkness*, *The Shadow*, and *Masks 2*.

ARMY of DARKNESS™

MOVIE ADAPTATION

Just when Ashley J. Williams thinks that the danger is over and he is safe from the evil spirit inhabiting the cabin, he is accidentally transported to 1300 A.D., where a Deadite army waits for him! Desperate to get back to his own time, Ash must retrieve the Necronomicon, the mystical book of the dead, which is fabled to have the power to return him home. Shop smart and pick up this groovy comic adaptation of your favorite chainsaw wielding anti-hero's most famous adventure!

SHOP TILL YOU DROP DEAD

After 20,000 years of utopian civilization, the Deadites are terrorizing humanity again thanks to the bumbling of the Necronomicon password by one time-traveling Ashley J. Williams. Now with the evil spirits loose in the future, the enlightened civilization has two choices: either stand with Ash to fight the Deadites or unceremoniously eject him and the evil through the timeline to the past... soon, Ash finds himself propelled back to his own time only to discover that S-Mart is now a haven for the undead. To save the girl he must face his Deadite possessed friends and find a way to eliminate the evil spirit now inhabiting the aisles of everyone's favorite discount store chain!

ARMY OF DARKNESS™ VS. RE-ANIMATOR™

Locked in an insane asylum, surrounded by re-animated abominations and low on gas, Ash leads a misfit band of wannabe heroes into the depths of a Deadite infested madhouse. Facing an entire wing of undead inmates, Ash must uncover the Necronomicon and send the evil spirit back before the gateway to the Old Ones is opened, ushering in the destruction of the human race. It's Cthulhu meets Chinfu as everyone's favorite one-armed wisecracking anti-hero discovers that there are worse things than Deadites detailed in the blood soaked pages of the Book of the Dead. Can Ash uncover the book and save the day before the Chosen One flies over the cuckoo’s nest?

ARMY OF DARKNESS™

OLD SCHOOL

Prepare to be scared! Ash's adventures have bordered on the ridiculous and absurd but the series takes a grave turn to the dark side as he is forced to confront one of the original locales of deep Kandarian dominance. Traveling to the old cabin, Ash must destroy the anchor holding the spirit in the woods to this dimension if he wants to claim the prize... a chance to save the soul of his lost maiden. Army of Darkness: Old School is a return to classic Rami-esque grueling terror and storytelling that Evil Dead trilogy fans have been clamoring for. Something evil is lurking in the fruit cellar... and it wants to tear your soul apart!

ARMY OF DARKNESS™

ASH VS. THE MONSTERS

He's dismembered Deadites in every form but never faced a creature born of undead legend. Gathered from the darkest and most remote corners of the globe, the monsters have assembled under the vengeful hand of Dracula to lay siege to the new world. New York is being bled dry by a plague of vampires and Ash must battle the inner wolf, the soulless man, the curse of the ancients, and the Prince of Blood himself before they turn the city that never sleeps into a hotbed of the living dead. Only a bumbling second fiddle monster hunter and our own chainsaw wielding hero can recover the artifact with the power to destroy the vampires forever.

DEATH OF ASH

Holy, crap— Ashmageddon is here! The Deadites have tormented him since the cradle and now thanks to the return of the Dead Queen and her possessed corporate Arthurian minions, they've ushered him right to the grave. What the hell? Ash Williams is dead? Run to the light, Ash...run to the light! This is the most unexpected story arc of Army of Darkness as the Deadites finally get their pound of Ash. And with Ash out of the way... the Deadites will play.

HOME SWEET HELL

Ashley J. Williams has returned the hero, with his best chick at his side and the hordes of Deadites seemingly vanquished. He is, however, blissfully unaware of his role as the Chosen One, but that's just fine by him as he resumes a contented life. However, deep in the underworld, amidst the fires and flames of Hell, a group of demons has a problem. A problem that can only be solved by Ash himself... seeking to fill the role of the vacated "Sloth," the demons of the underworld have set their sights on Ash to fill the role of their departed brother. Throwing all manner of horror at him can have one of two effects: kill him, or return him to his power as the Chosen One!

ARMY OF DARKNESS™

WHY NOT?

Ashley J. Williams has been transported to the world of Xena and Gabrielle; and most importantly, it’s also the world of Autolycus, who bears more than a passing resemblance to our main man Ash. What you've got here is one helluva case of mistaken identity. Throw in the Necornomicon and an evil little Ash taking charge of a kingdom of fairies and what you have now is one crazy romp— the likes of which Xena and Gabrielle have never, EVER, seen...

ASH SAVES OBAMA

He's faced them all, but Ashley J. Williams is about to face the greatest horror of his entire Deadite-kickin' career— a comic book convention! But this ain't any ol' comic book convention, this one features a special appearance from the president of the United States of America— Barack Obama! How do things go from there when Ash and Obama are in the same place at the same time? And did we happen to mention that the Necronomicon is there doing the thing it does best— turning ordinary humans into the demon possessed undead!

ARMY OF DARKNESS™

HAIL TO THE QUEEN, BABY!

Ashley K. Williams is a "Smart-Stop" convenience store clerk who saw her boyfriend "infected" and turned into one of the evil dead by an object from outer space. Failing to possess her as well, the alien object displaced her back in time to ancient Egypt. After seeing his image in a mystic portal, Ashley has been bouncing across time and space, driven by a singular thought: "Find Ashley J. Williams." She is everything he isn't: smart, cunning and sensitive. And she is able to control the dark force that would possess her. Her hatred of it is only exceeded by her hope that her male counterpart can help her understand her destiny. A destiny that can only be fulfilled by the true Chosen One.

ARMY OF DARKNESS™ VS HACK/SLASH™

After a painful personal tragedy, Cassie Hack— the killer of supernatural serial killers— is doing her best to live a normal life. But an attack by the demonic Deadites forces the buttkickin' heroine back into action... and this time, she's not alone! Meet Cassie's new partner: Ashley J. Williams! Can this volatile pair keep from killing each other long enough to find the mystical Book of the Dead's stolen pages? Will Ash get some sugar? Or will Cassie make him kiss her bat? Two horror icons join in the mash-up that fans demanded!

ASH AND THE ARMY OF DARKNESS™

The battle has been fought and won. Ash battled and defeated the Deadite image of himself and saved the world. Now all he wants to do is get home and have a normal life. Too bad he messed up the Book of the Dead incantation. Will Ash ever escape the land of the Deadites? Will he ever find his girl? Will he ever remember the last part of the incantation? Now an army of unbelievable horrors rules the land and only Ash can annoy them!
