

**THE
ART
OF
FINAL
FANTASY
IX**

ZIDANE

ZIDANE TRIBAL

A skilled thief and a member of the Tantalus performing troupe, Zidane is unafraid to assume any challenge. When hired to kidnap Princess Garnet, Zidane vows to protect the heir of Alexandria and the kingdom she loves so much.

DAGGER

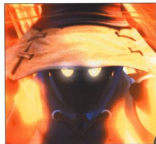

GARNET TIL ALEXANDROS the 17TH

The beautiful and headstrong Princess commands her own destiny, but she senses trouble brewing inside the Alexandros Castle walls. For love of her kingdom, she ventures forth to stop the evil spreading throughout the land.

VIVI ORUNITIA

A young Black Mage, Vivi's past is a mystery even to himself, as he struggles to learn about the nature of the world and his destiny. The powerful black magic Vivi uses is overwhelming at times.

STEINER

ADELBERT STEINER

The stubborn, but protective Captain of the Queen's Knights of Plata, Steiner will stop at nothing to protect the Princess and serve the Queen. But will he be able to remain loyal and still do the right thing?

FREYA

FREYA CRESCENT

A highly-skilled Burmesian Dragon Knight, Freya has been searching the world for her lost love. But due to her absence, the kingdom she is sworn to protect has suffered grave consequences.

QUINA

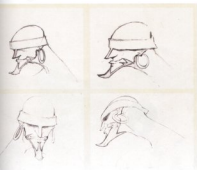

QUINA QUEN

Like most Qua, Quina is a gourmand and eats most everything. Can this steady diet of monsters and frogs teach Quina the mysteries of the world?

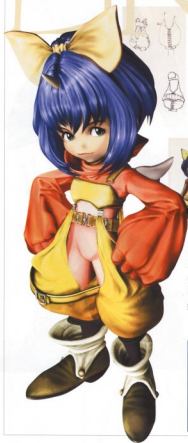

AMARANT CORAL

Using his deadly abilities to forge a career as a bounty hunter, Amaranth is a wanted man in Tremonia and several other small towns. When Amaranth is hired to retrieve the Pritorno's pendant, will this cynical rogue be able to carry out his mission?

AMARANT

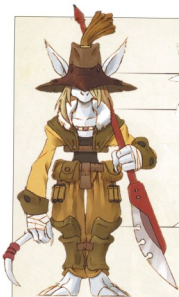

EIKO CAROL

Eiko is a lonely child living among the ruins of Aokina Sori. She is the last of the Summoners, an ancient race of Eiklan worshippers. Despite her stature, she possesses awesome magical and protective powers. Can she help the Princess unlock her own dormant abilities?

ALEXANDRIA CASTLE

Although Garnet's daily routine is normally confined to the upper portions of the castle, secret chambers within the palace walls hint at a greater purpose to the structure.

Vivi visita those who have stopped

A very mysterious fork in the road

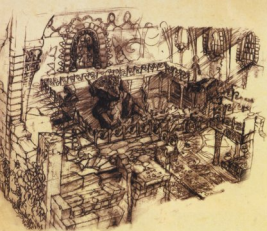

BLACK MAGE VILLAGE

Hidden deep within the forests of the Outer Continent lies the mysterious Black Mage Village. Could it possibly hold the answers to any of Vivi's questions?

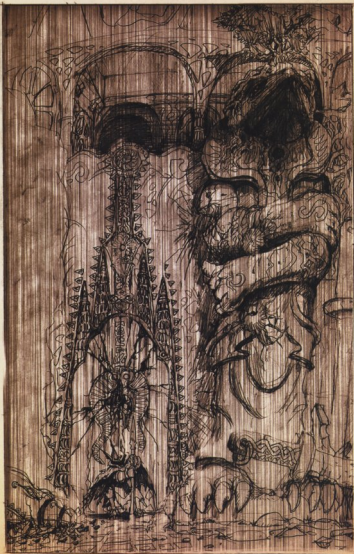

This monster didn't make it into the game.

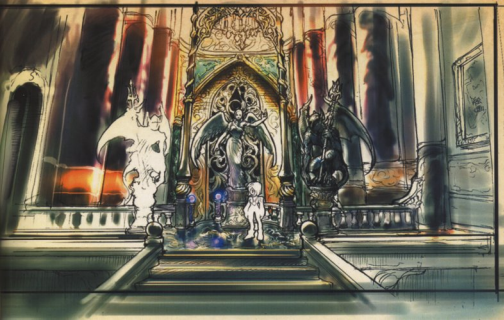

A beautiful city high up in the treetops.

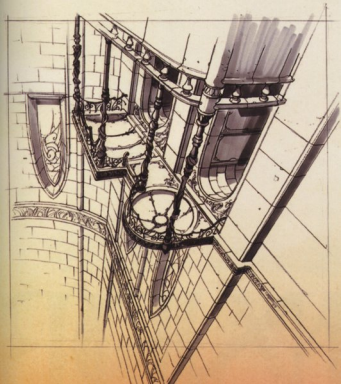

GIZAMALUKES GROTTTO

The mountain underpass between Lindblum and Barmectia is called Gizamaluke's Grotto, so named after Lord Gizamaluke. This spiritual leader, a large water dragon, protects this underground passage to Barmectia from invaders.
